Uniting people with property... since 1986

Testimonial from our happy Vendors;

Jan and I would like to extend our appreciation of the way that you and the team at United handled the sale of our property.
We have sold eight homes throughout our lifetime and so we were no amateurs when we approached United to act on our behalf. The property was at the higher end of the market, relative to its size and location, but your approach and management of the process resulted in immediate interest.
Due to the purchaser's style of dealing we were subject to a protracted process but throughout the entire time you kept us informed and showed genuine interest in us as valued clients.
We were most impressed when you maintained your contact whilst you were travelling on your overseas holiday, especially when the settlement stalled at the last moment. To have your agent call from London to inform progress is going the extra mile as far as we were concerned. Your local office team at The Oaks backed you up throughout the entire period so we were always assured of your involvement.
This was our final property sale however we would have no hesitation in suggesting to others that United should be considered as their selling agent if Melinda is involved.
