Charlie is very professional. The minute we met, he advised me on the best options on how to sell my home and was there with me every step of the way. This was a difficult sell as it was my family home and Charlie understood this, it wasn't just a sale for him.
I wish Charlie and the rest of the staff at United all the very best. I now have moved on to a new home and this is all thanks to Charlie.
Charlie wishing you many more successful sales.
