Where the Future Lies!!!Where the Future Lies!!!

Centrally located between the townships of Campbelltown and Appin; this long held approx. 5.26 acre (approx. 2.13 Ha) parcel is now an investment opportunity for you. There is an existing shed connected to power but the current zoning will not allow a dwelling to be constructed at this stage. Other pursuits may be allowed following consultation with local council and the future certainly looks positive for land owners throughout this rapidly changing area.
