A rural lifestyle with all the modern day conveniences and central location, combined with future growth opportunities.

With an imposing street presence, this quality owner-built home is a showcase of design and style with a great use of space; which makes this a standout home in a quality neighbourhood in the sought after Luddenham Village.

Ideally located within walking distance to everything Luddenham has to offer such as cafes, schools, sporting grounds, parks, doctor/pharmacy, hairdresser, and local IGA.

Featuring well-presented interiors with formal lounge and separate dining, large kitchen adjoins dining and opens to expansive casual living areas, which leads you out to a large balcony with a relaxed rural outlook.

Enclosed alfresco living area with built-in BBQ, gas connection and TV provisions for all your entertaining needs. Beautifully presented low maintenance gardens.

Master bedroom suite with extensive walk-through robe and en-suite, generously sized bedrooms with built-in wardrobes, ducted air-conditioning, alarm system and external security cameras.

Large remote double garage, with extra room and storage which could easily cater for a trailer, hobby or small business with internal access to the home.

Quality home. Great location. Motivated vendor. Best to be quick with this one.
