This property has everything one could possibly want from a boutique property in arguably the best street in Silverdale, where every day feels like Sunday.

This recently renovated 4 bedroom Huntingwood "Grand" Home boasts 4 oversized bedrooms, large formal lounge and formal dining, generous sized kitchen with walk-in pantry overlooking the open plan living/dining area and huge rumpus room.

Other features include high ceilings, ducted air-conditioning, combustion fire place, modern bathroom complete with rain water shower head and free standing bath. The main bedroom is huge, has a walk-in robe and leads to an extra-large en-suite.

The bitumen driveway leads to an American style barn shed with 3-phase power with possible granny flat style accommodation (subject to council approval).

Established gardens, triple garage, sparkling in-ground swimming pool with gazebo, and an enclosed BBQ area complete this property.
