Tanya Novek from United Acreage Properties has played an integral part in the purchase and selling of acreage property on my behalf.

In what is regarded as one of life's most important decisions, I recently sold my Rossmore property to purchase at Cobbitty.

In both cases we were delighted on the results achieved.

In such time, considered by many as stressful and time consuming, Tanya was brilliant, professional, honest and patient.

It was clear from the beginning that Tanya's knowledge of what she was selling on behalf of her clients was of the highest order.

Tanya also knew how to communicate and how to negotiate, which is a skill, long time learned.

Tanya knew the areas, understood her client's requirements and helped to manage expectations, realistic and obtainable for both Vendor and purchaser.

Tanya always gave of her time and experience generously in both of my transactions and proved she could be trusted.

If you want an agent who supplies regular feedback, manages the marketing campaigns very well and, a person who has impeccable integrity, you could not go past Tanya Novek.

A faultless professional who I would be pleased to utilise the services of time and time again.

I thank Tanya again and wish her every success for the future.
