This testimony is unapologetically long as it seeks to honour and commend Tanya Novek, of United Acreage Realty who is equally, unapologetically steadfast in her care and resolve to gain the best outcome for the families who trust her to sell their properties.

My husband, family & I would like to take this opportunity to sincerely thank Tanya for her amazing work in the sale of our vacant block of land.

We have owned this property for just over 19 years and never thought we would try selling it.

We first noticed Tanya's name come up repeatedly as she successfully sold property after property, but of particular interest to us.

We now know why she is so successful!

She is unwavering in her advocacy, even in the face of opposition & obstacles; has years of experience in both real estate & law to ride the highs & the lows; and to provide flawless guidance/mentoring through the whole emotional process.

Tanya is trustworthy, ethical, honest and just an amazingly lovely person. Her energy, positivity, humour, effervescence, tenacity, ability to think outside the square, and find the right sale strategy to fit our particular situation without compromising on care and integrity for all parties concerned, is unique to say the least. She made the whole process seem effortless, though I can only imagine the work required behind the scenes! Nothing was too much trouble!!

While on that note we would like to thank Ed and the team at United Acreage Realty for all their support of us & of Tanya. You are all amazing!

Tanya our gratitude for all your support and assistance is beyond words. "THANK YOU" just doesn't do justice to what we feel.

Thank you from the depths of our hearts, it's been a privilege.

We wish you and your family every success
