Testimonial from the Purchasers;

Dear Tanya,

We just wanted to drop you a line to thank you for selling us a nice home and for being so wonderful to work with. Buying a home was not something we were looking forward to because of all the complications and hassles we had experienced. Working with you made the entire experience much easier. The whole process of buying is stressful and difficult but with your rapid response to our calls and questions this made it possible for us to buy our first home so smoothly. We really thank you for your honesty, courtesy, and kindness. In the future, we will buy another property and we will contact you and recommend you to all our friends/ builders in the area to use United Realty.
