What Our Clients Say About Us!

Melinda is truly an outstanding Agent!! From the moment we had discussions with her about putting our property on the market, to the day we signed an Agency Agreement, we felt so at ease and stress free. Her knowledge of the market, teamed with her honesty and genuine opinion of our property made the entire sales process a dream. Each and every open home was managed professionally and her feedback was superb. Barely a day passed without her keeping us informed of potential buyer opinions and general updates on how things were travelling. And she surpassed our expectations when the final sale price was negotiated. We are absolutely delighted with the service and performance of Melinda, and cannot rate her highly enough (she exceeds 5 stars!).

We would recommend Melinda to any potential Vendor and can say, hand on heart, they will receive top shelf service from start to finish.

Thank you so much for selling our home so we can move onto our next chapter.
