What Our Clients Say About Us!

Hi Melinda,

We just wanted to take this opportunity to say a big thanks for all of your assistance with the sale of our home. We were elated with the result!

Initially we were quite hesitant to sell, when another agent suggested we sell in a far lower price range. When we met with you we felt very comfortable with your down to earth approach, and after meeting with several other agents we were confident we'd made right decision choosing United Realty.

You kept us informed, answered all of our questions and always got back to us in a timely manner. We were very happy with the process.

Thank you again!
