What Our Clients Say About Us!

From the moment we spoke and met with Melinda we knew she was the agent to sell our first family home. Her passion, enthusiasm and dedication to her job was second to none and evident from the first conversation. The fact she had such a vast local knowledge was an added bonus knowing that she would be able to capture and convey what there is to love about the area.

Throughout the whole process Melinda was open, honest, reassuring and professional. Being our first experience with selling she took the time and made the effort to communicate with us regularly and ensure we understood the processes. This allowed us to feel actively involved and completely at ease. She went above and beyond to look after us, nothing was ever an issue or too difficult.

Melinda's diligence and dedication paid off with a great result. We would highly recommend Melinda to anyone interested in buying or selling.
