What Our Clients Say About Us!

ARE YOU PLANNING TO PUT YOUR PROPERTY ON THE MARKET?

We have recently done just that!

It's a very demanding time for all involved and deciding on an agent is top of the list.

Having sold before, in four different states, gave us a clear idea of the type of person and agency we wanted. You cannot afford to employ someone who is just an order-taker, sitting waiting for a buyer to come through the door.

We chose to use Tanya Novek from United Acreage Sales who understands the market, is prepared to put in the effort required and keeps a very close eye on all the details. It's a complex business.

With Allan Larsen as her right-hand man, they achieved a really satisfying result, through hard work and a professional attitude, and we have no hesitation in recommending them to other sellers.

Hope this helps you with your difficult decision!

Good luck with it all
