Negotiated in the First Week of Marketing!

What our happy clients have to say about Brent Bargallie and United Realty...

"We are extremely happy with our decision to choose United Realty and Brent Bargallie to sell our semi-rural property. Brent gave us excellent advice about all aspects of the sale, including the marketing strategy and price expectations.

United Realty had the resources and connections to get our property on the market very quickly after we decided to sell. This was crucial in finding the right buyer at the right time. Brent also proved to be an excellent negotiator, ensuring that we sold in near record time at the very best price we hoped for.

We have no hesitation in highly recommending United Realty and Brent Bargallie to anyone considering selling their property."

Brent was fantastic in representing us for our home purchase. He was always very responsive and made sure he was always available to meet with us at the property. We cannot thank Brent enough for making this property our dream home for our family.
