We are extremely pleased with the way Mark Bargallie handled the sale of our property at Tahmoor. From the very first discussion with Mark re: this sale, right through to the negotiations, he has been extremely helpful in advising us. He has kept us well informed the whole way through and made it a very easy process.

This is the second home Mark has sold for us and we would not hesitate to contact him and United Realty if the need arises again.

We have recommended Mark and United to several of our friends over the years.
