We purchased a house through Melinda, at the same time we were being stuffed around with other agents which made us not want to purchase through them. In my opinion this is why she stands out, she is honest, upfront, and easy to deal with, making us more than happy to purchase through her.

The entire process was smooth, streamline and we felt she had full control of the situation.

Melinda was an absolute please to work with. She was knowledgeable of houses in the area and helped us understand the process. Melinda was always available to talk when we had a question and had sound advice. Not only was she an amazing agent she also is a lovely person.
