Excellent customer service from Bruno

My first interaction with Bruno was over the phone to organise an inspection time. While speaking with Bruno he showed me he was professional, committed and worked around me in regards to viewing schedule. On meeting him in person, Bruno was very down to earth, approachable, and engaging to my questions and thoughts.

Throughout the process of me putting my offer in, Bruno was amazing and kept me up to date. Bruno never treated me like another number, but a person who wanted to find a home for the family.

I will definitely be hiring you to sell my next home or rent my investment property.
