Smooth Sailing from Start to Finish

Wayne was informative and always available to communicate with. From my inspection to making an offer and later, he could not do any more to assist. He was not at all pushy and my experience was stress free.

Tahmoor

We had a great experience selling our home with Wayne. From start to finish it has been very easy and he kept us updated throughout the whole process. Wayne was recommended to us and we are very happy to have had him find the right buyer for our home.
