Charlie Cini is the best agent I have ever dealt with!

From the first moment we met Charlie we felt confident that he was the agent to sell our property and we were not disappointed. Our confidence was so strong that we did not speak to any other agents.

He was extremely efficient, knew the market very well and what he said he would do, he did. The whole process was painless and Charlie kept us informed every step of the way.

Our property was sold within two days of the first open house, one month before the proposed Auction. Couldn't fault Charlie nor the whole United Acreage Marketing team for their enthusiasm and professionalism.

Happy to recommend Charlie and the team to anyone seeking to market their property.
