An extremely professional and genuine agent!

I'm so happy to have chosen Shane as my agent. He was always available to answer questions or just to give me peace of mind on difficult days. Shane worked extremely hard in a difficult market, against much lower sales in the area, to achieve the best sale price. He did not give up when the pressure was on to drop the value. He knew what our property was worth and continued working hard to achieve the best sale. Thank you!

I would highly recommend Shane to anyone wanting to buy or sell. He has a wealth of knowledge and experience not only in real estate but in future developments in surrounding areas.

Thanks again for all your support during this time.
